### IRCON's CSR initiative for visually challenged

IRCON International Ltd. (IRCON), under its CSR Initiative, has supported Janta Adarsh Andh Vidyalaya, Sadiq Nagar, New Delhi, by upgrading their infrastructure facilities. IRCON has installed 30 kW solar panels and LED lighting on the rooftop of the school building to save the operational cost of the school. Janta Adarsh Andh Vidyalaya is a residential school for visually challenged and is currently serving 120 children from class I to VIII. Installation of solar panels will enable the school to save about Rs. 23,000 per month by way of electricity bills, which will eventually be utilised for the education of the visually challenged students.
