### IRCON empowers women through multi-disciplinary skill training

Iron International Ltd. (IRCON) through its latest CSR activity supporting women for Skill Development Training. A training centre was inaugurated recently at Khora, Ghaziabad to train 110 women in four trades, namely: Cutting & Tailoring, Computer Education, Beauty Culture and Personality Development. The objective of the training program is to promote entrepreneurship and provide employment to the women of the locality. The programme is being run in association with Bisnouli Sarvodaya Gramodyog Sewa Sansthan (BSGSS).
