## 8 specially-abled students clear competitive exams

Eight specially-abled students in Jalgaon, Maharashtra have qualified for competitive exams with the help of 'Project Manobal', an ongoing CSR programme of IRCON International Ltd, These candidates have cleared examinations of MPSC, MSRTC, CDPO, and BMC.

Under the Project Manobal initiative, which has been started six months ago, IRCON is providing financial assistance for establishing a training centre for

competitive examinations like UPSC, SSC, MPSC, Banking, and Railways for specially abled youth in the Jalgaon district of Maharashtra. IRCON is sponsoring annual residential expenses of 100 specially-abled persons coming from poor families.

The project is being run in association with Deepstambh Bahuuddeshiya Sanstha. It is believed that more students will be able to get their dream jobs under this project, in the days to come.
