- Form of Bid
- Special Conditions of Contract
- General Conditions of Contract
- Technical Specifications
- Bill of Quantities

- 3.2 The Bidder is expected to examine all instructions, terms, conditions, forms, Specifications, corrigendum/addendums and other information in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidders' risk and may result in rejection of his bid.

4 Understanding and Amendment of Tender Documents

- 4.1 The bidder must obtain for itself on its own responsibility and its own cost all the information including risks, contingencies & other circumstances in execution of the work. It shall also carefully read and understand all its obligations & liabilities given in Tender documents.
- 4.2 The bidder is advised to visit and examine the site where the Supply is to be delivered and its surroundings or other areas as deemed fit by the Bidder and obtain for itself on its own responsibility all information that may be necessary for preparing the Bid and execution of the Contract. The cost of visiting the site and collecting relevant data shall be at the Bidder's own expenses. It is a condition of the Tender that the Tenderer is deemed to have visited the Site and satisfied himself with all the conditions prevailing including any difficulties for executing the work.

- 4.3 Bidders will examine the various provisions of The Central Goods and Services Tax Act, 2017 (CGST)/ Integrated Goods and Services Tax Act, 2017 (IGST)/ Union Territory Goods and Services Tax Act, 2017 (UTGST)/ respective state's State Goods and Service Tax Act (SGST) also, as notified by Central/State Government and as amended from time to time and applicable taxes before bidding. Bidders will ensure that full benefit of Input Tax Credit (ITC) likely to be availed by them is duly considered while quoting rates.
- 4.4 The successful bidder who is liable to be registered under CGST/IGST/UTGST/SGST Act shall submit GSTIN along with other details required under CGST/IGST/UTGST/SGST Act to IRCON immediately after the award of contract, without which no payments shall be released to the contractor. The contractor shall be responsible for deposition of applicable GST to the concerned authority.
- 4.5 In case the successful bidder is not liable to be registered under CGST/IGST/UTGST/SGST Act, IRCON shall deduct the applicable GST from his/their bills under Reverse Charge Mechanism (RCM) and deposit the same to the concerned authority.
- 4.6 At any time prior to the deadline for submission of Bids, Employer may for any reason whether at its own initiative or in response to any request by any prospective Bidder amend the Bidding documents by issuing Corrigendum, which shall be part of the Tender documents. The Amendment shall be advised to all the prospective bidders.
- 4.7 Employer may at its discretion extend the deadline for submission of the bids at any time before the time of submission of the Bids.

C. Preparation of the Bids

5 Language of Bid

- 5.1 The Bid prepared by the Bidder and all documents related to the Bid shall be written in English.

6 Signing of All Bid papers and Completing Bill of Quantities

- 6.1 **It shall be deemed that Bid submitted by the Tenderer is stamped and signed by his Authorized Representative holding the Power of Attorney.**
- 6.2 While filling up the rates in the Bill of Quantities, tenderer shall ensure that the rates are filled up in words and figures both.

14.2 The above documents as stated at (a) to (d) above shall be further sealed in an envelope superscribed with the name of the work as indicated in

“Appendix to Tender”, date and time of opening of tenders.

- 15 In addition to the above, the envelope shall also contain the Name and Address of the Tenderer to enable Tender to be returned unopened if so required.
- 15.1 All documents/ forms/instructions/Specifications etc listed in item 3.1 of this notice and those attached as per the Annexure VII are deemed to be a part of the bid/tender and accepted by the bidder.
- 15.2 In case of any ambiguity, IRCON will be free to seek confirmation of information from the issuer of the document.

E. Bid opening and Evaluation

16 Opening of the tender

- (i) Tenders will be opened at the address mentioned in “Notice Inviting Tender” in presence of Tenderers or Authorised Representatives of Tenderers who wish to attend the opening of tenders. On opening the envelope containing the complete Tender, in the first instance the envelope containing Bid Security Declaration shall be opened. Further envelopes shall be opened only if the “Bid Security Declaration and Tender Cost” is found to be for the required amount and in required form.
- (ii) Thereafter the Technical bid shall be opened.
- (iii) The Financial Bids of all the Tenderers shall not be opened on the stipulated date of Tender opening. These financial bids shall be sealed in a separate envelope, signed by all the representatives of the tenderers present during the opening of tenders and also by the tender opening officials of IRCON. This sealed envelope shall be kept in safe custody of IRCON officials. The above sealed envelope shall be opened at a later date and financial bids of only those tenderers shall be opened who are qualified by IRCON in technical evaluation for the opening of financial bids. The qualified tenderers shall be advised about the opening of the financial bids. The financial bids of the tenderers who have not been qualified shall be returned un-opened, if requested by the tenderers.

17 Preliminary examination of bids

- 17.1 The Employer shall examine the bids to determine whether they are complete, whether physical copy of all the relevant documents have been received **not later than the prescribed date and time for bid submission** and generally they are in order.
- 17.2 Prior to the detailed evaluation, Employer shall determine whether each bid is of acceptable quality, is generally complete and is substantially responsive to the bidding documents. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions

and Specifications of the bidding documents without material deviations, objections, conditionality or reservation. A material deviation, objections, conditionality or reservation is one;

- i) That affects in any substantial way the scope, quality or performance of the contract.
- ii) That limits in any substantial way, inconsistent with the bidding documents, the Employers' rights or the successful Bidder's obligations under the contracts; or
- iii) whose rectification would unfairly affect the competitive position of other Bidders who are presenting substantially responsive bids.

17.3 If a bid is not substantially responsive, it shall be rejected by the Employer.

17.4 In case of tenders containing any conditions or deviations or reservations about contents of tender document, Employer may ask for withdrawal of such conditions/deviations/reservations. If the tenderer does not withdraw such conditions/deviations/ reservations, the tender shall be treated as non responsive. Employer's decision regarding responsiveness or non-responsiveness of a tender shall be final and binding.

18 **Evaluation and comparison of tenders**

18.1 In case of open tenders, bids, which are determined as substantially responsive, shall be evaluated based on criteria as given in Annexure-V. The Tenderer must submit all necessary authentic data with necessary supporting certificates of the various items of evaluation criteria failing which his tender is liable to be rejected.

18.2 The Employer/Engineer reserves the right to negotiate the offer submitted by the tenderer to withdraw certain conditions or to bring down the rates to a reasonable level. The tenderer must note that during negotiations of rates of items of BOQ can only be reduced and not increased by the tenderer. In case the tenderer introduces any new condition or increases rates of any item of BOQ, his negotiated offer is liable to be rejected and the original offer shall remain valid and binding on him.

18.3 For the purpose of Tender evaluation, **the quoted cost of the various Tenderers, if in US \$, shall be converted into Indian Rs by using the Financial Benchmark India Private Ltd (FBIL) reference exchange rate between US \$ and Indian Rs as notified by the FBIL on its website www.fbil.org.in 15 days before the last date of submission of Tenders.** In case this particular day happens to be a holiday, the exchange rate as

notified by FBIL on the next working day will be considered. The cost of withdrawal of conditions of the Tenderer, if any, shall also be converted into Indian Rs in the same manner and added to the quoted cost by the Tenderer in order to arrive at the lowest Tenderer.

18.4 Clarification of the tenders

To assist the examination, evaluation and comparison of the tenders, Employer may at his discretion ask the tenderers for any clarifications as considered essential. All such correspondence shall be in writing and no change in price or substance of the tender shall be sought or permitted. The above clarification for submission of the details shall form part of the tender and shall be binding on tenderer.

19 Canvassing

19.1 No tenderer is permitted to canvass to Employer on any matter relating to this tender. Any tenderer found doing so may be disqualified and his bid may be rejected.

20 Right to accept any tender or reject all tenders

20.1 Employer/Engineer reserves the right to accept, split, divide, negotiate, cancel or reject any tender or to annul and reject all tenders at any time prior to the award of the contract without incurring any liability to the affected tenderers or any obligation to inform affected tenderer, the grounds of such action.

20.2 If the tenderer, as individual or as a partner of partnership firm, expires after the submission of his tender but before award of work, the Employer/Engineer shall deem such tender as invalid.

21 Award of Contract

21.1 Employer/Engineer shall notify the successful tenderer in writing by Courier/ Speed Post or per bearer or delivering the same by e-mail duly attached with scanned copy of Proof of Dispatch (POD) that his tender has been accepted.

21.2 Letter of Acceptance after it is signed by the Contractor in token of his acceptance shall constitute a legal and binding contract between Employer/Engineer and the contractor till such time the contract agreement is signed.

22 Supplier Performance Feedback and Evaluation System

The employer will have a 'Supplier Performance Feedback and Evaluation System' for periodic evaluation of **Supplier** performance during execution of Contract. In case **Supplier's** over-all performance is found unsatisfactory (<85% for Works Contracts and <75% for Consultancy Contracts) based on the parameters as listed in Annexure 'II' and 'III' respectively, the **Supplier** is liable to be declared a 'Non-Performer', and will become ineligible for participation in future tenders of this Organization for a period of 2 (two) years from the date of such decision. This decision is to be conveyed to the **Supplier** in writing. The non-performer status may be revoked during currency of the contract on improvement of performance parameters during the next annual review.

This is without prejudice to any other recourse available to the Employer under the Conditions of **Supplier**. However, Annexure –III is Not Applicable in this case.

23 Ineligibility to participate in re-tenders/ future cases

Notwithstanding anything contained in the Qualification Clauses of ITT, if a bidder withdraws from an offer after having been declared a preferred bidder or after Notification of Award or does not sign the Contract Agreement pursuant to the Letter of Acceptance or does not submit an acceptable Performance Security which results in tender being annulled then such bidder shall be treated as ineligible for participation in re-tendering of this particular work and also for any other work for a period of 6 months. A repeat incident of similar type within a period of 2 (two) years will render the bidder ineligible for participation in all future tenders for a further period of 2 (two) years.

Supplier must submit Affidavit as per annexure-IV, to certify that credentials submitted by them are found to be false/forged or incorrect at any time after the award of the contract, it will lead to termination of the contract, alongwith forfeiture of EMD/SD and Performance guarantee besides any other action provided in the contract including banning of business for **Two years** on entire IRCON, as per policy stipulated at Annexure-A.

24 Declaration of non-performance or ban status

Tenderers are not eligible to participate in the tender process under the following conditions:

- a. They have been declared a non-performer by any Organization / Authority / Public Sector Enterprises in India, any Government Department in India or a multilaterally funded agency during the last two years prior to the date of our bid submission.
- b. They are currently debarred for tendering, blacklisted, suspended in any Organization / Authority / Public Sector Enterprises in India, any

Government Department in India or a multilaterally funded agency.

- c Accordingly, tenderers are required to sign an Affidavit as per the enclosed pro-forma in Annexure-'IV', declaring their status of non-performance or debarment.

25. **Tenderer to be fully responsible for the consequences of misrepresentation.**

- a. Any suppression of information and misrepresentation will render the tenderer ineligible for future bidding in Ircon for a period of 2 years.

FOR SUSPENSION/BANNING OF BUSINESS DEALINGS**1 Introduction**

- 1.1 IRCON is a specialized construction organization covering the entire spectrum of construction activities and service in the infrastructure sector, especially Railways. The primary objective of IRCON is timely and efficient execution of projects assigned to it and at the same time ensuring the quality thereof. As a commercial organization IRCON is expected to adopt ethics of highest standards and a very high degree of integrity, commitment and sincerity towards the work undertaken. Accordingly, it is not in the interest of IRCON to deal with such Agencies who commit deception, fraud or other misconduct in the execution of contracts awarded/orders issued to them. Appropriate action needs to be taken against them in accordance with the procedure prescribed herein.
- 1.2 This procedure shall be applicable for effecting suspension/banning of business dealings with Agencies working for IRCON. It is incumbent upon IRCON to ensure compliance with the laws and principles of natural justice for banning the business dealings with any Agency. After issue of the Ban order for dealings in IRCON the Management may consider whether or not to refer the matter to the Indian Railways to consider imposition of similar ban by Indian Railways.
- 1.3 Since banning of business dealings involves severe consequences for the Agency concerned, it is essential that an adequate opportunity is provided to the Agency to present its case and any explanation, if tendered, is properly considered. If necessary, a personal hearing may be given to the Agency, before passing an order of banning based on the facts and circumstances of the case on record.

2 Scope

- 2.1 The procedure for (i) Suspension and (ii) Banning of Business Dealings with Agencies, is laid down in these guidelines.
- 2.2 It is clarified that these guidelines do not cover the process for declaring an Agency as “Non-Performer” for which instructions have been issued separately.
- 2.3 The suspension / banning shall be with prospective effect, i.e., it will affect future business dealings only.
- 2.4 These guidelines shall apply to all the Projects/Regional Offices of IRCON.

3 Definitions

3.1 In these Guidelines, unless the context otherwise requires:

'Agency' means a 'Bidder/Contractor/Supplier/Consultant'

'Competent Authority' and 'Appellate Authority' shall mean the following:

- a) 'Competent Authority' shall be the concerned Director of IRCON and
- b) 'Appellate Authority' shall be CMD, IRCON

Note: 'Competent Authority' and 'Appellate Authority' shall not be the same person.

'Investigating Agency' shall include Central Vigilance Commission (CVC), the Vigilance Departments of IRCON/Ministry of Railways, Central Bureau of Investigation, or any Central/State Government Department having powers to investigate into the propriety of working of the Agency for IRCON.

Other Terms used in this Circular shall have the same meaning as assigned to them in Clause 1102 of Chapter-XI of Vigilance Manual of Indian Railways.

4 Grounds on which Suspension/Banning of Business Dealings can be initiated:

- 4.1 For security considerations, including suspected disloyalty of the Agency to the State or IRCON, as the case warrants;
- 4.2 If any Director/Owner/Proprietor or partner of the Agency, is convicted by a Court of Law for an offence involving moral turpitude in relation to its business dealings with IRCON, any Government Department/Ministry or any other Public-Sector Enterprise.
- 4.3 If there is strong justification for believing that any Director, Proprietor, Partner, owner of the Agency has been guilty of malpractices, such as bribery, corruption, fraud, substitution of tenders, interpolations, etc.
- 4.4 If the Agency engages a public servant dismissed/removed from service on account of corruption or employs a person convicted for an offence involving corruption, moral turpitude or abetment of such offence; in a position where he could corrupt government servants.
- 4.5 If the Agency has resorted to corrupt, fraudulent malpractices including misrepresentation of facts;
- 4.6 If the Agency uses intimidation/threats or brings outside pressure on the Company (IRCON) or/on its officials in acceptance of Tender or performance of the job under the contract;
- 4.7 Based on the findings of the investigation report of the Investigating Department against the Agency that it has resorted to mala-fide/unlawful acts

or improper conduct on its part in matters relating to IRCON, any Government Ministry/Department or any other PSU;

- 4.8 If the Agency has submitted a false or wrong Affidavit along with its bid with regard to the credentials of the firm or misrepresented/manipulated the facts in regard to or in connection with any bid submitted to IRCON.
- 4.9 Established litigant nature of the Agency to derive undue or benefit.
- 4.10 If the Agency misuses the premises or facilities of the IRCON, forcefully occupies or damages the IRCON's properties including land, water, resources, forests / trees or tampers with documents / records etc.
- 4.11 If the business dealings with the agency have been banned by the Ministry of Railways.

(Note: The above grounds are illustrative only and not exhaustive. The Competent Authority may decide to suspend/ban business dealings for any other reasonable cause and sufficient reason)

5 Initiation of Suspension/Banning:

5.1 Suspension of Business dealing

- 5.1.1 Action for suspension may be initiated by the concerned ED/IRCON on receipt of a report from the Project head/Functional head/ Investigating Department and if it is considered that allegations are of a serious nature, which may warrant banning of business dealings with the Agency. The report should also bring out whether pending banning of business proceedings it would be in the interest of IRCON to enter into fresh business dealings with the Agency or order immediate suspension of further business dealings with the Agency. The ED shall submit his report to the Competent Authority.
- 5.1.2 As far as possible, the existing contract(s) with the Agency may be continued unless the Competent Authority, having regard to the circumstances of the case decides otherwise in the interest of IRCON.
- 5.1.3 If the Competent Authority, after consideration of the matter, including the recommendations of the Investigating Department/report of the ED, decides that it would not be in the interest of IRCON to enter into business dealings with the Agency pending investigations, he may order suspension of business dealings with the Agency.
- 5.1.4 The Investigating Department may be advised to complete their investigations and submit a final report within a period of three months.

5.1.5 The order of suspension of business dealings would not remain effective for a period beyond three months from the date of the issue of the suspension order unless show cause notice for banning of business is issued to the Agency within this period. However, if the final investigation report is not received within this period, the Competent Authority may extend the period of suspension by another three months, during which period the show cause notice must be issued. Once the show cause notice is issued the suspension order will continue till decision by Competent Authority.

5.1.6 In case of suspension the Agency must be informed immediately of the suspension order with brief charges under investigation. It is not necessary to enter into correspondence with or offer explanations to the Agency at this stage.

5.1.7 The order of suspension can be issued without giving any show cause notice or personal hearing to the Agency. However, the suspension cannot be continued for an indefinite period, unless a show-cause notice for banning of business is issued within 6 (six) months, the period of suspension will either be extended or the suspension shall be revoked.

5.2 Banning of Business Dealings

5.2.1 A decision to ban business dealings with any Agency shall normally apply throughout IRCON. However, the Competent Authority can impose such a ban project/region wise only if in the particular case banning of business dealings in respective project/region will serve the purpose and achieve its objective and banning throughout the Company is not required in view of the local conditions and impact of the misconduct / default. Any ban imposed by Corporate Office shall be applicable across all Units of IRCON.

5.2.2 An Investigating committee consisting of ED concerned, ED/Finance and an ED nominated by Competent Authority shall look into the charge(s) against the agency. The functions of the committee shall, inter-alia include:

To study the report of the project head/Functional head / Investigation agency and decide if a prima-facie case for banning exists, if not, send back the case to the Competent Authority.

To recommend for issue of show-cause notice to the Agency by the competent authority as per clause 5.2.3.

To examine the reply to show-cause notice and call the Agency for personal hearing, if required.

To submit final recommendations to the Competent Authority for banning or otherwise.

- 5.2.3 On receipt of the report of the Investigating Committee if the Competent Authority is prima-facie of the view that action for banning of business dealings with the Agency is called for, a show-cause notice may be issued to the Agency after approval by the Competent Authority.
- 5.2.4 The show cause notice, duly approved by the Competent Authority, may be issued by Regd. A.D./Speed Post by concerned ED in charge of the project along with a statement containing the imputation of misconduct or malpractice and the Agency should be asked to submit its written explanation or statement in defense within 30 days of the date of notice. If no reply is received, a decision may be taken ex-parte by the Investigating Committee based on facts and evidence on record.
- 5.2.5 If the Agency requests for inspection of any relevant document mentioned in the show cause notice in possession of IRCON, the facility for inspection of such documents may be provided.
- 5.2.6 After considering the reply of the Agency and other circumstances and the recommendation of the investigating committee, a final decision shall be taken by the Competent Authority, if considered necessary after giving an opportunity for personal hearing to the Agency. The Competent Authority may then consider and pass an appropriate speaking order:
- a) exonerating the Agency, if the charges are not established;
 - b) banning the business dealings with the Agency along with the period for which the ban would be operative, if the charges are proved.
 - c) whether or not to refer the matter to the Indian Railways to consider imposition of similar ban by Indian Railways.
- 5.2.7 The order for banning of business dealings by all units of IRCON shall be applicable to the Agency including its allied firms as defined in Para 1102 of IR Vigilance Manual.
- 5.2.8 Decision of Competent Authority will be intimated to the concerned ED, who will convey the same to the delinquent Agency and its allied firms and circulate it to the corporate office and all Project head / Functional head for applying these orders uniformly in IRCON. The reasons may not be disclosed in such communications. However, the fact that the representation has been considered should invariably be mentioned in the communication.
- 5.2.9 The validity of the banning order shall be for a specified time period, on expiry of which, the banning order shall cease to operate, unless extended further by competent authority.
- 6 Appeal against the Decision of the Competent Authority:

- 6.1 The Agency may file an appeal against the order of the Competent Authority for suspension continuing beyond six months or order of banning business dealings with the Agency. The appeal shall lie with the Appellate Authority. Such an appeal shall be preferred within one month from the date of receipt of the order banning of business dealings or order of continuance of suspension order beyond six months.
- 6.2 Appellate Authority shall consider the appeal and pass an appropriate order which shall be communicated to the Agency as well as the Competent Authority.

If the decision of the Competent Authority is modified by the Appellate Authority the same will be intimated by concerned ED to the delinquent agency and its allied firm and circulate it with advice to all Project Heads and Corporate Office of IRCON.

This procedure order is issued with the approval of CMD/IRCON.

P.S. : Where ED is not dealing with the case of a particular contract(or), the same action may be taken by the Coordinating GM or any other officer made in-charge for the work
