

News monitored for: MRC

of cost, to become electrician, plumber and land surveyor. The candidates were also provided with accommodation and other facilities under the programme. After the completion of training, placement opportunities were sourced for all candidates, out of which 88 were placed with various organisations while the rest opted for self-employment.

IRCON provides vocational training under CSR initiative

Ircon International Ltd. (IRCON) has provided skill development training to 200 unemployed youth belonging to the Economically Weaker

Section (EWS) under its CSR initiative. The vocational training programmes were organised at Ranchi and Daltonganj in Jharkhand and also at Amethi in Uttar Pradesh, through the Construction Industry Development Council (CIDC). During this training, candidates were imparted skills, free
