IRCON empowering women through Multi-Disciplinary Skill training under CSR Initiative

Ircon International Ltd. (IRCON), a leading turnkey infrastructure construction and development

company of Govt. of India, through its latest CSR activity supporting

women for Skill Development Training. A training centre was inaugurated on 15.11.2018 at Khora, Ghaziabad to train 110 women in four trades, namely: Cutting & Tailoring, Computer Education, Beauty Culture and Personality Development. The objective of the training program is to promote entrepreneurship and provide employment to the women of the locality. The program is being run in association with Bisnouli Sarvodaya Gramodyog Sewa Sansthan (BSGSS). IRCON is promoting skill development with BSGSS in training centres in Gurdaspur and Pathankot (Punjab) also.
