

AWARDS & RECOGNITION

IRCON International Limited: Awards & Honors in 2018-19

An award or honor to a company is not mere recognition of the achievements made. It is more of a symbol of faith that Industry is having upon a company. Though a company does not work for getting an award, yet when its efforts are recognized by the industry, it motivates to excel further, to achieve new avenues, to challenge itself.

The year 2018-19 was full of achievements for IRCON. The company has bagged as many as 13 awards in different categories for its performance, project excellence, and outstanding officers. A list of awards received in the year 2018-19 is enclosed herewith as Annexure-I.

Apart from the awards, the company has also proved its competitiveness among the International Contractors and the top Indian Companies. One of the most reputed publications in the construction sector worldwide, Engineering News Record (ENR) of USA, has listed IRCON in the list of top 250 International Contractors. IRCON is the only Indian PSU and one of the only six Indian companies to make it to the list. Also, Fortune India Magazine has ranked IRCON at 291st among the list top 500 Indian Companies in its special issue of Jan-Mar 2018.
