Press Release

IRCON ACHIEVES YET ANOTHER BREAKTHROUGH OF TUNNEL IN USBRL PROJECT

New Delhi, 5th March, 2022 - Ircon International Limited (IRCON), a Miniratna (Category-I) Schedule -A, Public Sector Enterprises has taken breakthrough blast in Udhampur-Srinagar-Baramula Rail Link (USBRL).

On 3rd March, 2022, IRCON has taken breakthrough blast in Tunnel No. 77D, which is 2.65 KM long and is located at Village Bankoot in Ramban District. Earlier, excavation of Main Tunnel of longest tunnel T49 of 12.76 Km in USBRL Project was completed on 15th February 2022. IRCON has also completed excavation of about 11 Km in Main Tunnel of T15, on 18th January 2022.

Execution of Tunnel T77D was very challenging, due to low overburden, extremely poor geology conditions and social challenges as this tunnel crosses the residential area. With the completion of Tunnel T77D, the 15 Km Block section from Banihal to Arpinchala is through for further works.
