IRCON organises 60 free medical camps in J&K

Iron International Ltd. (IRCON) has organised 60 free medical camps in the remote areas of Jammu & Kashmir under its Corporate Social Responsibility (CSR) programme. The first medical camp was inaugurated by Dr Jitendra Singh, union minister of state for PMO and MP for Udhampur constituency, in Jammu district on August 11. Over 500 people have benefitted so far in the first two medical camps under this programme. These medical camps were organised in the remote areas of the state where health infrastructure is not so good. Apart from free health check-up and medical advice from the doctors, free medicines were also being distributed in these medical camps. The programme is being run in association with Aarogya Foundation.
